Attorney Docket No.: 16991.010 :

This communication is in response to applicants' petition filed June 19, 2003 to determine the status of the above identified application. Since this is simply an inquiry rather than a petition, no petition fee is due.

A review of the file history shows that prosecution of the application was suspended on March 21, 2001. Since that time applicants have filed 5 inquiries regarding the status of the application, but have not received any reply.

Prosecution of the application remains suspended due to a possible interference. Within a few days the application will be forwarded to the Board of Patent Appeals and Interferences (BPAI) to determine whether an interference will be declared.

Future inquiries should be made by telephone and directed to the examiner, Michael Pak, at 703-305-7038. The phone number for the BPAI is 703-308-9797.

The petition fee of \$130 will be refunded to Deposit Account No. 50-2387, as directed.
